

POLIOPLUS UPDATE

WHAT IS POLIO?

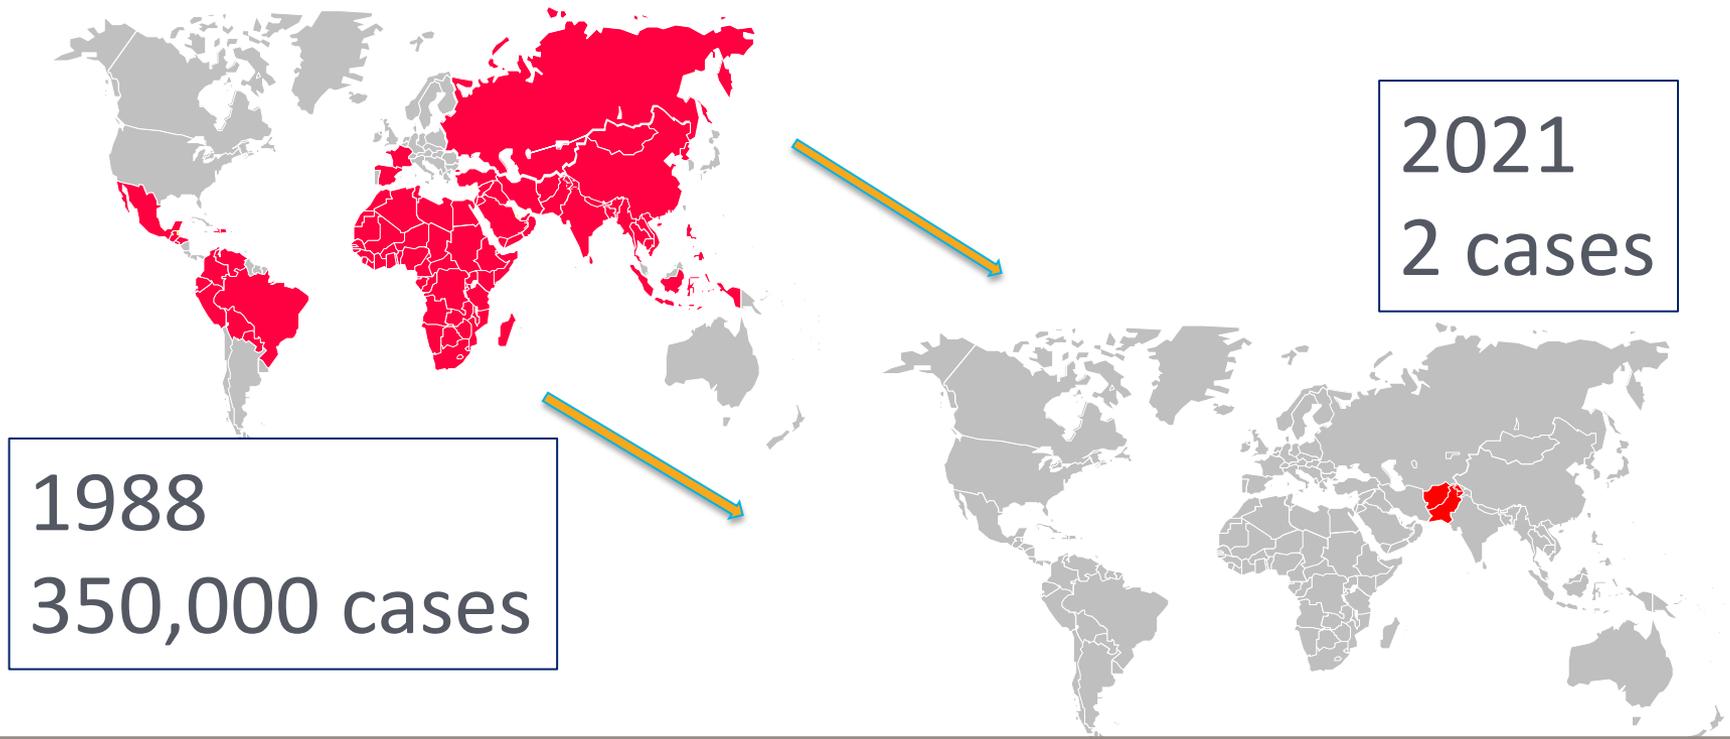

Governments of the World

BILL & MELINDA
GATES foundation

POLIO TODAY

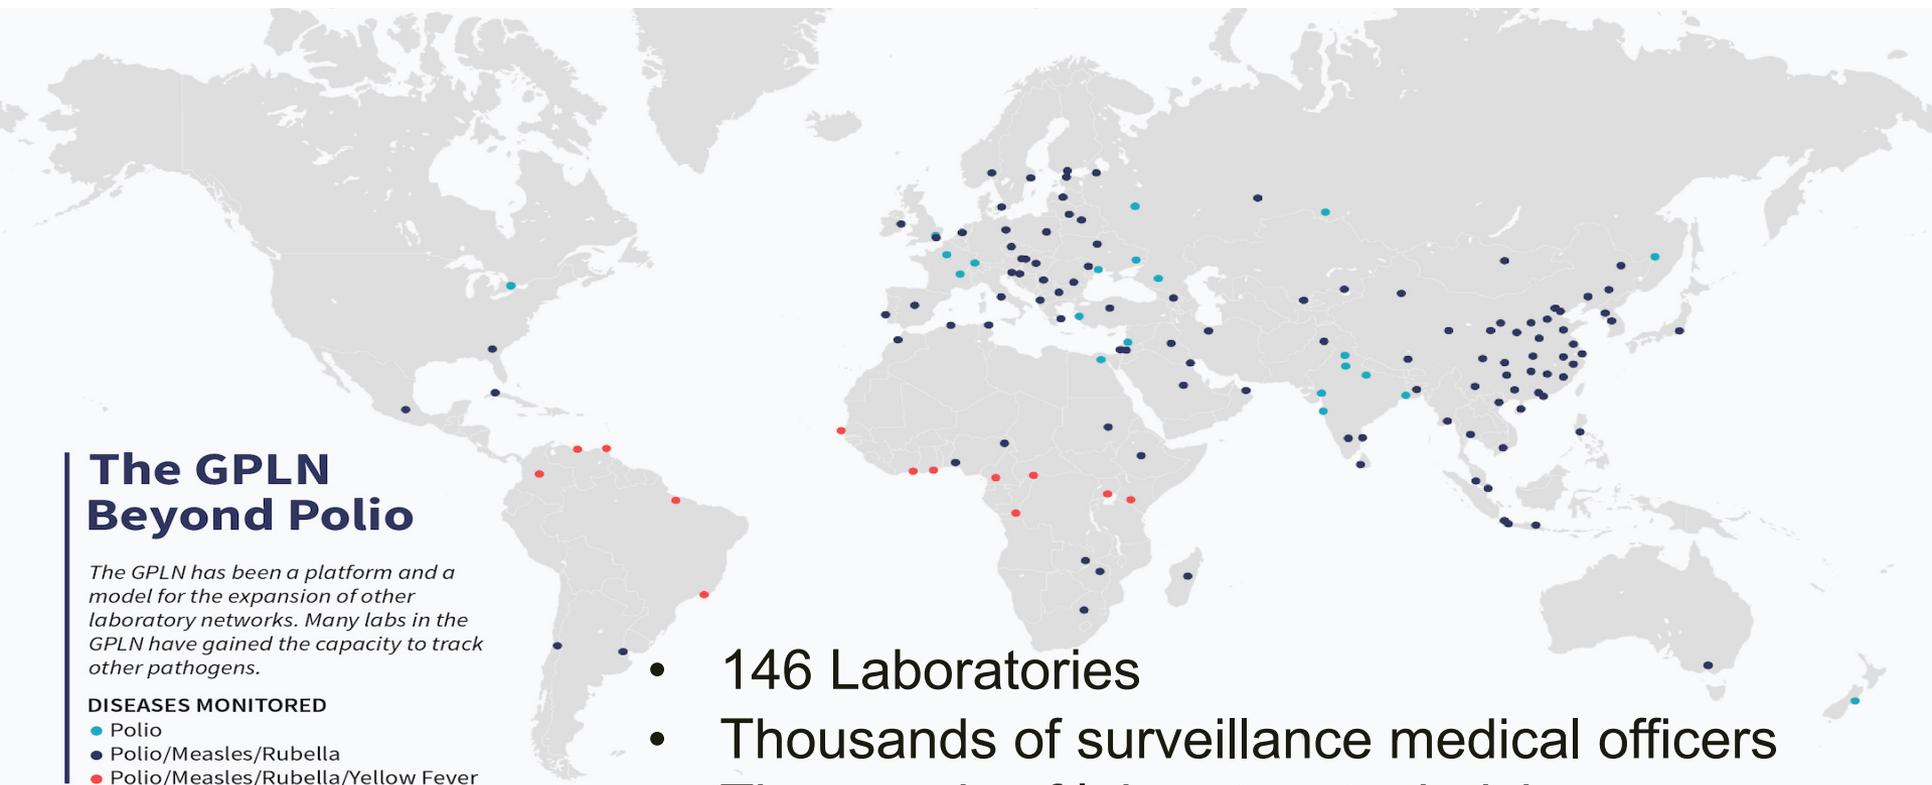

19.4 million people walking because of polio eradication efforts

HOW TO ERADICATE POLIO

- Hundreds of thousands vaccinators and community mobilizers
- Thousands of medical officers

HOW TO ERADICATE POLIO: THE GLOBAL POLIO LABORATORY NETWORK DETECTING MORE THAN POLIO

The GPLN Beyond Polio

The GPLN has been a platform and a model for the expansion of other laboratory networks. Many labs in the GPLN have gained the capacity to track other pathogens.

DISEASES MONITORED

- Polio
- Polio/Measles/Rubella
- Polio/Measles/Rubella/Yellow Fever

- 146 Laboratories
- Thousands of surveillance medical officers
- Thousands of laboratory technicians

AFGHANISTAN

- WHO and UNICEF staff remained in country
- Rotary's National PolioPlus Committee continues its work
- Polio immunization continues in some areas
- No major impact on disease surveillance
- Nationwide polio campaigns 8-11 November
- Female frontline workers
- Opportunity to reach more children

CALL TO ACTION

- Be proud that the infrastructure that Rotary helped build for polio supports other health emergencies such as COVID-19.
- Sustain Rotary's commitment to a polio-free world through fundraising, advocacy and raising awareness.
- Ensure we reach our US\$50 million fundraising goal and fully leverage the Gates Foundation 2:1 match.

THANK YOU!
